Membership of BWARS entitles you to the bi-annual Newsletter, published every spring and autumn, and Provisional Atlases as they come into print (approximately every other year).

On joining you will receive the Members Handbook containing 155 pages of useful articles on collecting, preserving, identifying and recording aculeates. There is also a checklist of all species and a list of when adult bees and wasps are active.

Please indicate whether you would like to receive the Members Handbook in hardback or PDF form: Hardback PDF
